SUPPLEMENTARY INFORMATION: The Privacy Act, 5 U.S.C. 552a, at subsection (b)(3), requires each agency to publish, for public notice and comment, routine uses describing any disclosures of information about an individual that the agency intends to make from a Privacy Act system of records without the individual's prior written consent, other than those which are authorized directly in the Privacy Act at subsections (b)(1)-(2) and (b)(4)-(12). The Privacy Act

defines “routine use” at subsection (a)(7) to mean a disclosure for a purpose compatible with the purpose for which the record was collected.

In accordance with OMB Memorandum M-17-12, issued January 3, 2017, titled “*Preparing for and Responding to a Breach of Personally Identifiable Information*,” the FDIC is modifying its current general routine use number (4) and adding a new general routine use number (5) to each system notice to authorize the FDIC to disclose information when necessary to obtain assistance with a suspected or confirmed data breach or to assist another agency in its response to a breach. The first routine use presented below is a revised version of current general routine use number (4) prescribed in former OMB Memorandum M-07-16 and first published in the *Federal Register* by the FDIC on October 29, 2007 (72 FR 61131). The second new general routine use presented below is being added to each the FDIC system notice as number (5) and all routine uses have been renumbered to account for this addition.

(4) To appropriate agencies, entities, and persons when (a) the FDIC suspects or has confirmed that there has been a breach of the system of records; (b) the FDIC has determined that as a result of the suspected or confirmed breach there is a risk of harm to individuals, the FDIC (including its information systems, programs, and operations), the Federal Government, or national security; and (c) the disclosure made to such agencies, entities, and persons is reasonably necessary to assist in connection with the FDIC’s efforts to respond to the suspected or confirmed breach or to prevent, minimize, or remedy such harm.

(5) To another Federal agency or Federal entity, when the FDIC determines that information from this system of records is reasonably necessary to assist the recipient agency or entity in (a) responding to a suspected or confirmed breach or (b) preventing, minimizing, or remedying the risk of harm to individuals, the recipient agency or entity (including its information systems, programs, and operations), the Federal Government, or national security, resulting from a suspected or confirmed breach.

The FDIC is also adding a new routine use to the FDIC 30-64-0022, Freedom of Information Act and Privacy Act Request Records, as presented below. This new routine use will permit records to be provided to the National Archives and Records Administration, Office of Government Information Services (OGIS) for purposes set forth under 5 U.S.C. 552(h), including to review agency compliance with FOIA, provide mediation services to resolve FOIA disputes, and identify policies and procedures for improving FOIA compliance.

(9) To the National Archives and Records Administration, Office of Government Information Services (OGIS) to the extent necessary to fulfill its responsibilities in 5 U.S.C. 552(h), to review administrative agency policies, procedures, and compliance with the Freedom of Information Act (FOIA), and to facilitate OGIS’s offering of mediation services to resolve disputes between persons making FOIA requests and administrative agencies.

In addition, this notice makes non-substantive editorial and formatting changes to all system notices for clarity and to conform to the updated system notice template prescribed in

OMB Circular A-108. More detailed information on the revised systems of records may be viewed in the complete text below.

The report of modified systems of records has been submitted to the Committee on Oversight and Government Reform of the House of Representatives, the Committee on Homeland Security and Governmental Affairs of the Senate, and the Office of Management and Budget, pursuant to OMB Circular A-108, "Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act" and the Privacy Act, 5 U.S.C. 552a(r).

The FDIC last published a complete list of its system notices in the *Federal Register* on October 30, 2015 (80 FR 66981). This publication may be viewed on the FDIC's Privacy Program web page at www.fdic.gov/about/privacy.
